Provider Requirements for Delivering the ACC RiverSafe[®] Programme

The ACC RiverSafe[®] Programme providers need to meet certain criteria to deliver the RiverSafe[®] activities to schools. These features focus on ensuring that providers have the capability to deliver the programme. Specifically they involve:

- Follow WSNZ policies for The ACC RiverSafe[®] Programme.
- Assigning staff to The ACC RiverSafe[®] Programme who hold qualifications detailed on the ACC RiverSafe[®] Certification List and who meet the requirement to be current.
- Completing WSNZ induction process.
- Meeting the client's requirements for teaching capability.
